

# LUCREZIA MONTAFIA

Cellular and molecular  
biologist

An enthusiastic, adaptable and quick-learning person with a broad interest in the field of neuroscience.

## ABOUT ME

Via Arduino, 41  
Torino

333 3374356

Date of birth: 05/06/1990

lucrezia.montafia@gmail.com

Skype: lucr\_e

## WORK EXPERIENCE

### PRODUCT SPECIALIST

Geopharma, Torino  
10/2019-Present

### SHOP ASSISTANT

Bershka srl, Inditex, Torino  
2016-2019

Cash register management

### BIOLOGIST LABORATORY TECHNICIAN

Polo Biologico dell'Ospedale San Luigi Gonzaga,  
Orbassano  
2014-2015

Responsibilities: Imaging; DNA, RNA and Total  
Proteins extraction; Western blot; qRT PCR; Resin  
embedding; Electron microscopy analysis; Basic  
techniques of microsurgery; Data analysis and  
interpretation; Scientific literature; Search in data  
bank.

REFERENCE: Giovanna Gambarotta

## INTERNSHIP

Fondazione Edo ed Elvo Tempia, Biella  
2012-2013

Responsibilities: Microarray analysis

REFERENCE: Giovanna Chiorino

## EDUCATION

### Master's Degree in "Cellular and Molecular Biology"

Università degli studi di Torino, 2013-2015

Study in depth of molecular biology, virology,  
immunology, genetics, anatomy, biochemistry.  
Thesis title: "Analysis of peripheral nerve  
regeneration through the use of experimental  
models".

Mark: 108/110

### Bachelor's degree in "Biology"

Università degli studi di Torino, 2009-2013  
Chemistry (inorganic and organic), Microbiology,  
Biochemistry, Biology of animal and plant cells,  
Statistics and Informatics.

Thesis title: "Bioactive peptides of milk"

### College: Maturità Linguistica

G. Q. Sella, Biella 2004-2009

## LANGUAGES

Italian (mother tongue)

English

French

German

## DIGITAL SKILLS

Good command of Microsoft Office tools, good  
search capabilities in Internet, good capacity of  
use of R software for statistical computing.
